OASIS SHOPPING CENTRE PEDESTRIAN BRIDGE

APRIL 2016

CLIENT: HUTCHINSON BUILDERS

CONTRACT VALUE: \$265,000

DEMEX was engaged as the demolition contractor for the demolition of a pedestrian bridge in the busy Broadbeach shopping precinct adjacent to the Oasis Shopping Mall in Broadbeach, QLD.

The project included a fourday closure of the area surrounding the pedestrian bridge. This was achieved in coordination with the local Gold Coast City Council, Queensland Police and WHSQ. DEMEX worked with an independent traffic control company to develop detailed traffic management plans, install permanent diversions around the area, and to have open dialogue with

the surrounding businesses to limit the disruption caused by the project.

DEMEX faced the logistical challenges involved with the demolition of the bridge in a heavy pedestrian and vehicular traffic area whilst also ensuring that no damage was done to the road below. using the appropriate processes and control measures, DEMEX successfully delivered the project safely without any damage to the surrounding assets and with minimal disruption to traffic and businesses.
